

Steven Stegman Joins MWA Intelligence, Inc.

A World Leader in Device Management, Mobile Service Technology Expands Team!

Scottsdale, AZ -October 19, 2009 - MWA Intelligence, Inc. (MWAI) announced today that Steven Stegman has joined the firm to further develop their growing portfolio of Intelligent Device and Services Management client base and further advance it's suite of solutions. Steven Stegman comes with a wealth of experience within the industry, having spent his career in data and work-flow automation for global leaders, including IKON Office Solutions, Imagistics International Inc., and Xerox Corporation where Steven was instrumental in developing and securing strategic alliance partnerships for each corporation. Joining in advance of the launch of MWAI's new products, Steven can continue his success.

Steven joins MWA Intelligence as a Customer Engagements Manager and will continue to focus on MWAI's recent success providing Intelligent Device Management, Intelligent Services, and MPS solutions to many of the top companies in America and other parts of the world. Steven comments, "I am excited to accept this new challenge within MWA Intelligence and look forward to working with the team to further develop their already extensive product and service suite. I am fortunate to be joining such a respected company that prides itself on top quality service."

Michael T. Stramaglio, CEO and President of MWA Intelligence, Inc. said, "Steven's wealth of experience and industry knowledge has already made him a key addition to the MWA Intelligence family. We view his appointment as a sign of our commitment to being the leading company in our industry. Our new innovations and the increasing demand from our customers led us to look for an addition to our team who will fit in with our ethos of innovation and exceptional service, and it is very fortunate that we were able to find someone of Steven's caliber to fulfill this role. I'm confident that Steven will play a key role in providing and implementing high quality solutions for our clients.
